PROJECTS

BENTOME

Project Lead

Led a local team in the development and launch of a fully online, self-sufficient Japanese bento delivery service using the Django framework.

- Featuring complete Stripe integration
- Daily menu ("du jour") by trained native Japanese chef
- Beta tested in Burbank, California (42 bento sold in 10 days)

VOTERGAB

UI/UX Designer

Worked jointly with CA Assembly District Delegates to create an online voter community tool in MEAN using real data from Vote Smart API.

- Personal live feed of current state ballot measures
- User Groups/Endorsements system with quorum feature
- Real-time Socket.IO chat (global and groups)

PIXELTUNE

Independent Developer

Solely conceived and created an iOS camera app that suggests music via image recognition from Google Cloud Vision.

- Emotion recognition for joy, sadness, sorrow, surprise
- Spotify SDK user authentication (Facebook support)
- Streaming music in-app from "albums" of music and custom playlists

EXPERIENCE

MORRISON & FOERSTER LLP

Tokyo, Japan

Legal Assistant/Legal Specialist

2013 – 2016

- Performed legal analysis, conversions, discovery research, memo drafting across IP and other practice areas and generated monthly comparative metrics and reports to evaluate global capacity and performance
- Supported partners with client pitches, patent claim charts, patent litigation, patent troll statistics, dual-language client newsletters, information sharing, privilege logs, and multi-language biographies
- Organized charitable and volunteer activities for earthquake assistance; helped firm raise over \$80,000

HIROE & ASSOCIATES

Gifu, Japan

Patent Translator

2011 – 2012

- Translated patent claims, office actions, amendments, and expert counsel
- Interpreted in English, Japanese, and Chinese at firm meetings, teleconferences, and local IP-related events
- Drafted and edited outgoing English correspondence for patents, trademarks, utility models and copyrights
- Handled firm submissions for legal service publications and tier rankings

AEON CORPORATION OF JAPAN

Nagoya, Japan

Educator

2008 – 2011

- Instructed Japanese adults and teens in all areas of English proficiency
- Conducted prospective student interviews and performed educational counseling
- Supported administrative operations in counseling, marketing, recruiting, sales
